Saturday Morning, Dec. 26, 1857.

It gives us pleasure to state that we have completed arrangements with Rev. W. F. PARRIEN of Rechford, Illinois, to officiate as General Agent for the HERALD OF FREEDOM. He is no only sutherized to receive and receipt subscriptions, but is fully empowered to commission Canvassing Agents throughout the Norther States to solicit subscriptions for us. Person wishing to act as agents for us, will address W. F. PARRIEN. Rockford, Ill.

A friend just down from Doniphan, bruggest of that portion of the Territory. He states that the country there is nearly filled up, and generally occupied by claimants. The Missonri Democrat has a letter from Leavenworth, dated Dec. 16th, stating that he was shot at Lecompton by an Indian Agent. We are fully satisfied those reports are set on foot to keep Gen. The Parkville Courier had an editorial on the 17th inst., representing that Gen. LANE had been shot by Mr. Miller, still conveying the idea that Lane is mortal! The object of these representations, with which the whole border press abounds, was to get up an invasion on the 21st inst, to control the polls. Peoria City.

This town, situated at the junction of the I Osage River with Ottawa Creek, in Frank-lin County Kansas Territory—bids fair to eclipse many of her sister towns in population and enterprise.

There is now in operation a good Steam Saw Mill with power sufficient to run a pair of Burrs which will be attached soon. There are also two good Shingle Machines capable of cutting from six to eight thousand shingles cach, per-day.—Timber is plenty, and as good as can be found in any portion of the Territory. Land is of the best quality, both for farming and stock raising.

There is a Post Office, two Dry Goods, and two Grocery and Provision Stores here already.—There is a fine opening formechanics of nearly all kinds; a good Blacksmith is much needed; also a Shoemaker, Carpenters, and other mechanics.—The Proprietors will donate a lot to any one who will erect a substantial building thereon.—Shares and Lots for sale at reasonable rates. The above place is located near the center of the County, and will undoubtedly be the County Seat at an early day. This place is twenty-five miles from Lawrence, and fifty from Kansas City.
